FRIDAY NOVEMBER 6, 1903

Evening Bulletin readers  
get all the news; the boys  
who sell the papers reap a  
harvest; and the popularity  
of the paper is best shown by  
the following figures:

SWEET SALES

The Evening Bulletin is the  
best seller, has the best  
reading and is the best news-  
paper in town.

People show themselves just as  
unfit for liberty whether they  
submit to anarchy or to tyranny;  
and class government, whether it  
be the government of a plutoc-  
acy or the government of a mob,  
is equally incompatible with the  
principles established in the days  
of Washington and perpetuated in  
the days of Lincoln—President  
Roosevelt.

China, warned first by Russia, then  
by Japan, finds nothing to do but  
submit and be crushed.

White-bounding press editors, money-  
men never did appeal to the  
community and there is no reason why  
they should.

Since Europe has decided to allow  
Tele-Sam to play a lone hand in dealing  
with Panama it should be only a  
matter of a few months before digging  
on the canal begins.

The inter-island polo contest that  
opens tomorrow promises to be the best  
Honolulu has yet witnessed and the  
possibility that Kauai will carry off  
first honors should add zest to local  
interest in the game.

Managers of our St. Louis exhibit  
will do well to prove the story of  
Cuba's plans. The island republic  
intends to let the old-time features have  
a rest and interest the public in the  
attractive chariot races of now, pro-  
gressive Cuba.

Such Americans will be exchanging  
conversations with their new fellow  
citizens of the annexed Panama Republic  
and having established a permanent  
line of favorable treaty will  
require stamping in the intervening  
Mexican and Central American countries.

**VIGOROUS HONESTY THE BE-  
BULLETTIN POLICY.**

It cannot be truthfully said that the  
orthodox group in the heart of the  
newspaper is the exponent of strict  
honesty in dealing with the Bryanites.  
An organ that cheerfully  
commits any wrongdoing in the  
name of a party, that further  
represents the Bryanites in the  
same way, is not likely to be  
expected to look with favor upon any  
proposition that will elevate party  
standards and hold Bryanites true to  
the highest principles.

If it were true that the expressions  
of distrust aroused by election meth-  
ods were confined to the Home Rule  
party there might be some reason for  
the departing of the morning paper. If  
the paper in question had supported  
the straight Republican ticket in the  
county campaign—if it had not on the  
morning of the election cut out the  
name of a leading, the leading, candidate  
for Governor in the Fourth Distri-  
ct—the morning paper might be in  
a position to establish a reputation for  
party honesty. Under the circumstances  
the attack on Bryanite honesty and

**FARQUHAR SAYS  
SURE OF VICTORY****SEVEN ACRES OF  
CARRARA**

The roof of the GREAT FIELD MUSEUM, CHICAGO, covering 7 acres  
of ground, is painted with CARRARA Paint.

It seems hardly necessary at this day to advertise CARRARA in Honolulu,  
where it has so thoroughly advertised itself; but we have not said  
much about it as a Roof Paint, and it is proper to call attention to its  
enhancement by the Field Museum for that purpose.

and, however, to suppose that the  
Government can pay the expense of  
such a contest.

This is not a popular form of go-  
vernment as such, the public should be  
cautioned against it. A popular  
form of government is one which  
is only under a popular form of go-  
vernment than the government of an af-  
fected party could be turned to the  
service of the Government, defeating  
the object of proliferation.

The Attorney General is holding up  
the bill of the proposition. It is not  
believed that any initiative on the part  
of the Government is anticipated.

Secretary Gove stated that if the Re-  
publican party wanted to continue an  
election and a Republican administration,  
there should further proceedings with a  
view to determine the election and

the Secretary agreed at the re-  
quest of the City County election and  
the election, and the election under  
the new system, the work follows  
and an election will proceed and car-  
riage of election will be made out  
as the voters are completed.

The annual meeting of the Oahu  
Sugar Co. was held at the offices of C.  
Brewer & Co. this morning at which  
time the old board of officers was re-  
elected as follows: P. C. Jones, presi-  
dent; C. M. Cooke, vice president; Geo.  
M. Young, second vice president; Geo.  
H. Robertson, treasurer; E. F. Bishop,  
secretary; A. P. Welch, assistant treasurer;  
Geo. R. Carter and E. Pollitz, di-  
rectors; and T. H. Robinson, auditor.  
The annual reports were read and  
ordered printed.

In the Police Court this morning  
Male (sic) and Kalina (sic) were fined \$1  
and costs each for profanity. The case  
of William McCarthy, charged with  
embezzlement, was discharged. He was  
alleged to have embezzled \$1.50 from a  
sugar mill.
